

Dear Family,

Thank you for giving us the opportunity to share Summer Trails' belief in the POWER of PLAY. We are a values driven program that is committed to the growth and enrichment of each camper. At Summer Trails your child will feel safe, special, challenged, and most importantly, have more fun than you can ever imagine.

Our campers learn how to make smart decisions, develop lifelong relationships, find their personal joy, hone their athletic skills and become more confident in who they are. We grow these values by embracing the power of play! This is why kids LOVE Summer Trails.
